

Speaker profile: Dr. Quoc An Nguyen

Dr. Quoc An Nguyen graduated in dentistry at the Rijks-Universiteit Groningen, The Netherlands, in 2011.

After working as a general practitioner, he opened his own clinic, Ardent Tandheelkunde and co-founded Ardent Academy, an educational platform that focuses on creating a movement in contemporary dentistry.

Known for creating The Game Changer concept, a series of seminars given by high inspiring entrepreneurs and managers, with the purpose of re-inventing and elevating the managerial vision in dentistry.

He defines his goal as "to inspire, empower and activate colleagues to chase their dreams, how unconventional it may seem."

He is currently practicing in his clinic in The Netherlands and lectures internationally on brand identity, marketing and management in the dentistry domain.

The Game Changer

Dr. Quoc An Nguyen

Bucharest, Romania, June 25-26, 2016

A game changer = A person who is a visionary

A game changer changes the way that something is done, thought about or made.
